

ELECTION IN OHIO.

Statewide Primaries Today Characterized by Apathy.

Columbus, Ohio, August 11.—Statewide primaries preceded by marked apathy until within the last few days are being held in this State for the nomination of candidates for all State offices except auditor, candidates for United States senator, representatives in 22 districts, members of the legislature, and county tickets in all of the 88 counties.

It is the first statewide primary for the nomination of candidates for senator and for State offices.

The race for the senatorial nomination on the Republican side is made up with former Senator Joseph Benson Foraker, of Cincinnati, W. G. Harding, editor of a Marion newspaper and former lieutenant governor and former representative Ralph D. Cate, of Findlay, as the aspirants.

Democrats will choose between Timothy S. Hogan, now serving his second term as attorney general of Ohio, John L. Zimmerman, veteran Democratic leader of Springfield, and John L. Lentz, of Columbus, former representative from the Twelfth district, all of whom are anxious to be the party's standard bearer in the contest for the seat now held by Senator Burton. The latter has announced his retirement.

Arthur L. Garford, a wealthy manufacturer of Elyria, is unopposed for the nomination in the Progressive party.

Rushing Artillery.

Brussels, August 11.—Heavy detachments of French artillery passed through Brussels today on the way to the front. Great crowds thronged the streets waving French and Belgian flags and cheering the Belgian allies. The advance of the French and Belgian forces is exceedingly rapid.

GERMAN SPIES SHOT.

600 Arrested, Many of Them Wearing False Uniforms, Says Brussels Report.

Brussels, August 11 via Paris.—Belgium has been covered with a network of German spies. Six hundred already have been arrested and 100 were shot yesterday.

Some of the German captured were wearing uniforms of gendarmes, civic guards, soldiers and officers of the Belgian Army. Many of the spies captured were armed with bombs and revolvers, and were riding in automobiles bearing false numbers. They also had in their possession telegrams and letters with the counterfeit signature of the Belgian Minister of war.

Just before and after the fighting began private signs were discovered on bridges military works and aqueducts indicating that those structures should be blown up.

Severe precautions have now been taken by the military authorities, and no one is admitted at the railway stations without military permits. Automobiles are halted at every mile.

The War Minister has issued a proclamation that every German and Austria who does not declare himself within two hours will be considered a spy. Since the Flanders provinces were placed under martial law, two days ago, more than 2,000 spies have been arrested.

CATCHES MAN ON HER HATPIN.

Spear Went Through His Ear and He Has Blood Poisoning.

Baltimore, August 11.—Leaving the crowded aisles of a Curtis street theatre on Thursday night a few hours after coming to town from his ranch near Fort Collins, J. H. Evans was impaled on a hatpin through the upper part of his right ear. Erysipelas and blood poison have set in and his life is in the balance. Evans is facing that part of it bravely. What hurt his feelings most, he said, was the woman's sarcastic remarks.

When she felt the interference at the end of the long pin the woman jerked her head around to see what it had caught. As Evans' ear slipped smoothly down half the length of the alleged ornament he says he vaguely remembers hearing the woman comment on the "arrested mental development of people who can't look where they are going."

"I was glad enough to get off and out the theatre before she called a policeman," said Evans. "I wouldn't know her again if I saw her, but I would know the pin. It was about a yard and a half long. My wife had a hat something like hers three years ago last winter."

As Evans went on out of the theatre nursing his ear the woman stopped in the foyer and burned the pin on the portieres, still talking at Evans and "boob men" in general as she jabbed it back and forth through the heavy folds.

DEATH OF GENERAL LOGAN.

Former Confederate Brigadier General Passed Away in New York.

(Special to the Gazette.)
Richmond, Va., August 11.—A private telegram announces the death in New York today of Gen. Thomas M. Logan, the youngest Confederate Brigadier at the close of the war. The body will be interred here in Hollywood tomorrow.

Gen. Logan, a native of South Carolina, was prominent in politics in Virginia as chairman of the Democratic State Committee when the whites were fighting for supremacy.

CROWDS SEE THREE DROWN.

In One Case Rescuer is Drawn Down by Cramp Victim.

Tamaqua, Pa., August 11.—Swimming at the Haute Dam yesterday John Muckliwiz, 25 years old, of Lansford, was seized with cramps, yelled for help and was apparently doomed to drown. John J. Melley, 28 years old, of Coal Dale, swam to his assistance and did his utmost to save him. The cramped swimmer was desperate, however, and clung so tightly to about his would-be rescuer's neck that both sank to death. Both bodies were recovered shortly after the accident, which happened in the presence of a helpless crowd of onlookers.

Pottsville, Pa., August 11.—In the midst of a crowd of swimmers, Michael Komrick, of Middleport, was drowned in a colliery reservoir. Michael started out to swim across the dam, and had taken off all his clothing except his coat, which he tied about his neck. He suddenly gave one piercing call for help and sank to the bottom. It was an hour before his body could be located with the aid of grappling irons.

GIRL ENDS LIFE IN HOTEL.

Philadelphia, August 11.—Miss F. M. Moore, 22 years old, who registered at a Filbert street hotel Sunday night, committed suicide by drinking a mixture of two deadly poisons. The register shows that her address is Washington, D. C., but the police have not been able so far to verify this information.

The young woman went to the hotel late Sunday night and was not seen about the hotel after retiring. Last night the hotel attendants, upon finding the door locked and receiving no response to repeated rappings, broke in the door and found the woman in bed in a sleeping position. They were unable to arouse her and later discovered two sanitary paper drinking cups that had contained the poison.

FIRE WRECKS PLANT.

Loss in Midnight Blaze in Richmond Placed at \$25,000.

Richmond, August 11.—Fire of unknown origin last night partially destroyed the main manufacturing building of the Ford-Whitehurst Manufacturing Company, Inc., Tenth and Byrd streets, doing damage estimated at about \$25,000. The loss is fully covered by insurance. Two alarms were sent in, the first just fifteen minutes after midnight, and brought a quick response from the Fire Department, whose prompt work prevented the fire spreading to the lumber yards, the dry kilns, in W. S. Forbes & Co.'s plant, which were in the immediate vicinity.

INCOME TAX RETURNS.

Richmond, August 11.—One in every ninety-three persons residing within the present corporate limits of the city of Richmond is blessed with an annual income exceeding \$2,000, according to figures compiled from the reports of H. E. Tresnon, Commissioner of Revenue, which have just been filed with C. Lee Moore, State Auditor of Public Accounts. While there are 1,376 of these fortunate individuals on the voluminous lists, Auditor Moore is confident, basing his assumption on past experiences, that many more names will be added when the Grand Jury begins to investigate the records, and quite a few of the incomes will be considerably augmented by items which have either been forgotten or willfully omitted from the sworn statements.

The Case of L. L. Cantelou.

The case of L. L. Cantelou, Clarendon, Texas, is similar to that of many others who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says, "After trying a doctor for several months, and using different kinds of medicine for my wife who had been troubled with severe bowel complaint for several months, I bought a 25c bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using the second bottle she was entirely cured." For sale by all dealers.

Bad Serious Lung

Trouble—Now Well

Sufferers from Lung Trouble are often misled in the belief that nothing will save them. Rest, fresh air, wholesome food and regularity in habits do much in aiding to restore health, but something else is needed. Many people who have taken Eckman's Alternative have testified that it was this medicine which restored them to health. Read this:

"Gentlemen: Through your instrumentality I have been saved from a premature grave. On December 24, 1904, I was taken with Typhoid Pneumonia, which developed into Lung Trouble. In February, 1905, I went to Fort Worth, Texas, and later to Canon City, Colorado. After being there two weeks my physician informed me that my case was hopeless. Three weeks later I returned home, weighing 100 pounds, the doctor having given me no assurance of reaching there alive. On July 14, 1906, I began taking Eckman's Alternative for Lung Trouble. Today I weigh 158 pounds. I am stout and well and can do any kind of work about my grain elevator." (Address: Above abbreviated; more on request.)

Eckman's Alternative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stomach and Intestinal troubles, etc. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa. for evidence. For sale by all leading druggists.
